Meditation

In a world filled with constant noise, we often expect God to compete for our attention.

Yet throughout scripture, God most often speaks not in the wind or the fire, but in a gentle whisper.

As we gather today, let us quiet the voices that pull at our hearts, and let us become still enough to notice God's presence already among us.

May we listen not only with our ears, but with open hearts.

May we hear God's invitation, receive God's grace, and find the courage to lead wherever Christ leads.

Speak, Lord, for your servants are listening.
